

EAA 431

MIDWEST GRILL-N-CAMP

BRODHEAD, WI (C37)

The Grill Out/Camp Out events are going to be where you bring your own food and we provide the grill and necessary items to prepare that food. There is pop and bottled water on-site available for purchase.

We invite anyone to come for the Saturday evening gathering or pitch a tent and spend the night. We have restrooms/showers on-site along with hand wash stations, phone charging stations and we also have a courtesy van available for anyone wanting to run into town for anything they may have forgotten. We also plan to have the camp fire going every night of these events. We plan to have an informal start time at 5pm (so we'll plan to start the grill at 5pm unless you want to start it earlier). Fly-in or drive-in to C37 to enjoy a beautiful airport and meet new friends or catch up with old friends. We'll be on the back patio of the Chapter 431 building.

Dates: (Grill starts @ 5pm)
